Dear Mr. Mattson:

We have finally put together Admiral Turner's trip plans for the next several months and I am delighted to confirm that we will be with you in Boca Raton on March 12th. Our present plans are to arrive late Saturday, the 10th. We will leave immediately following his address to the American College of Trial Lawyers on Monday morning.

Generally on a trip such as this the party consists of Admiral and Mrs. Turner plus four others, including myself.

I would be grateful for any details you might provide once the plans for your spring meeting become firm. In the meantime, please let me know if I can provide you with any additional information or assistance.

Sincerely,

SIGNED
